

You have just launched a new app, service, or social channel, but...

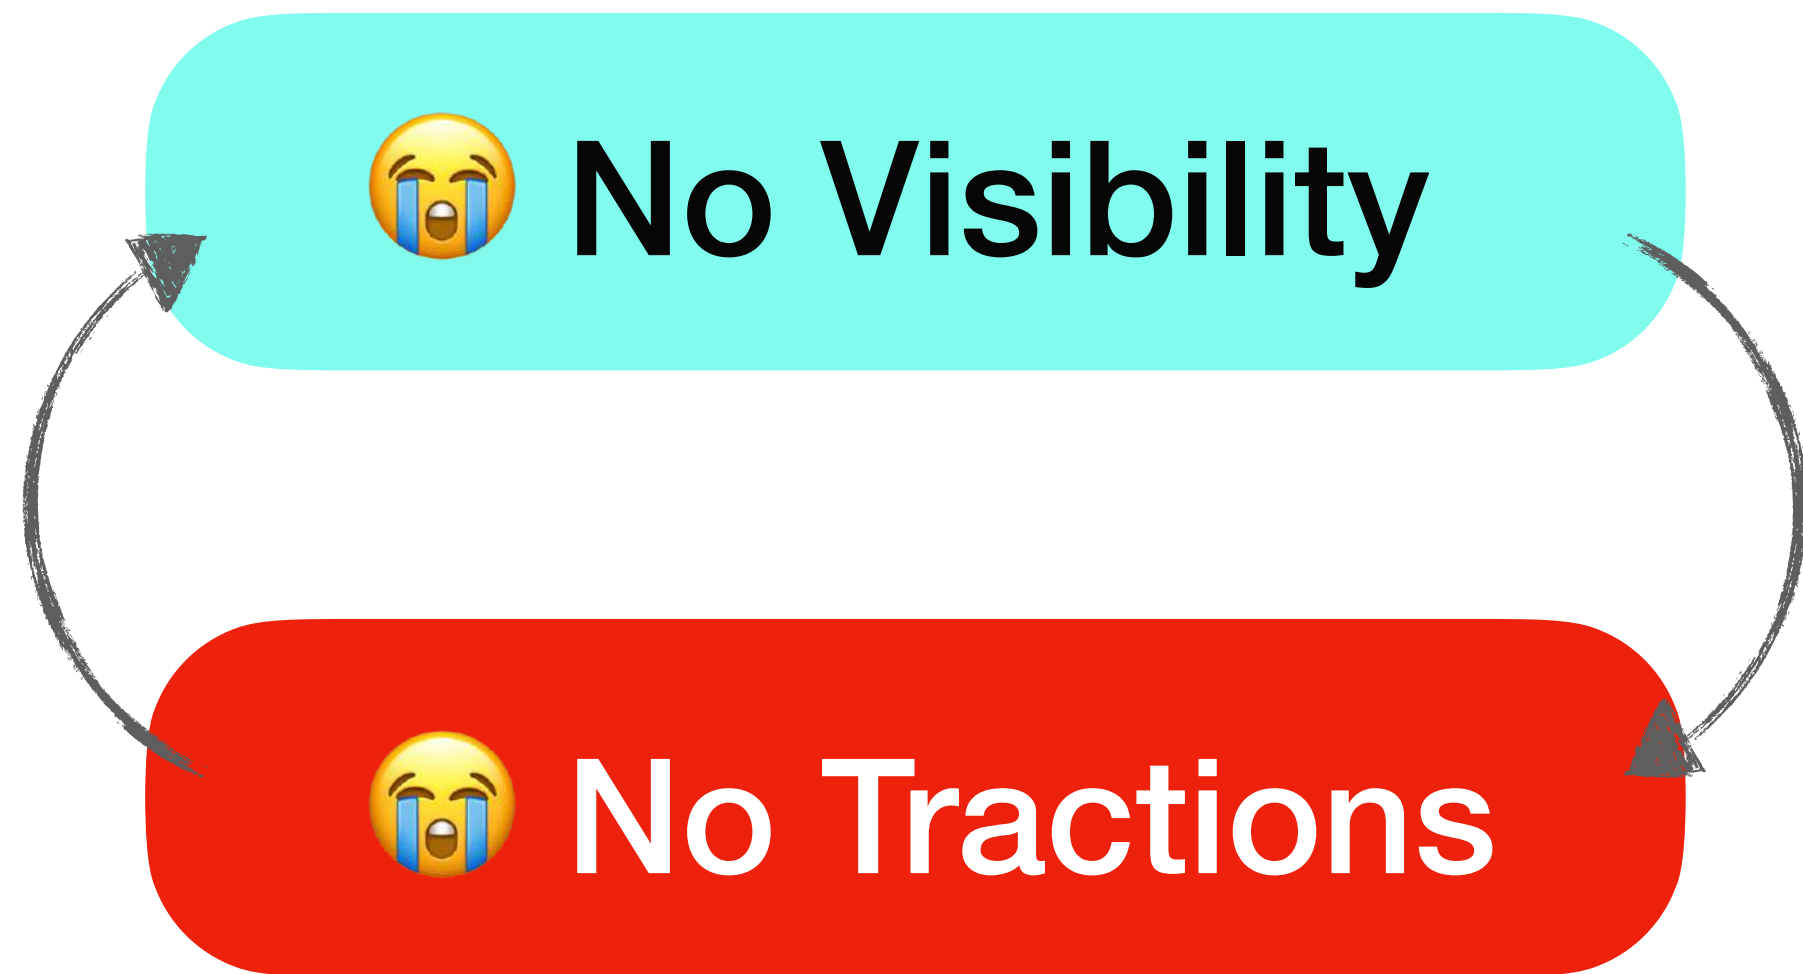

Your service

“Sir, how can we
attract our first 1,000
users (or subscribers)?”

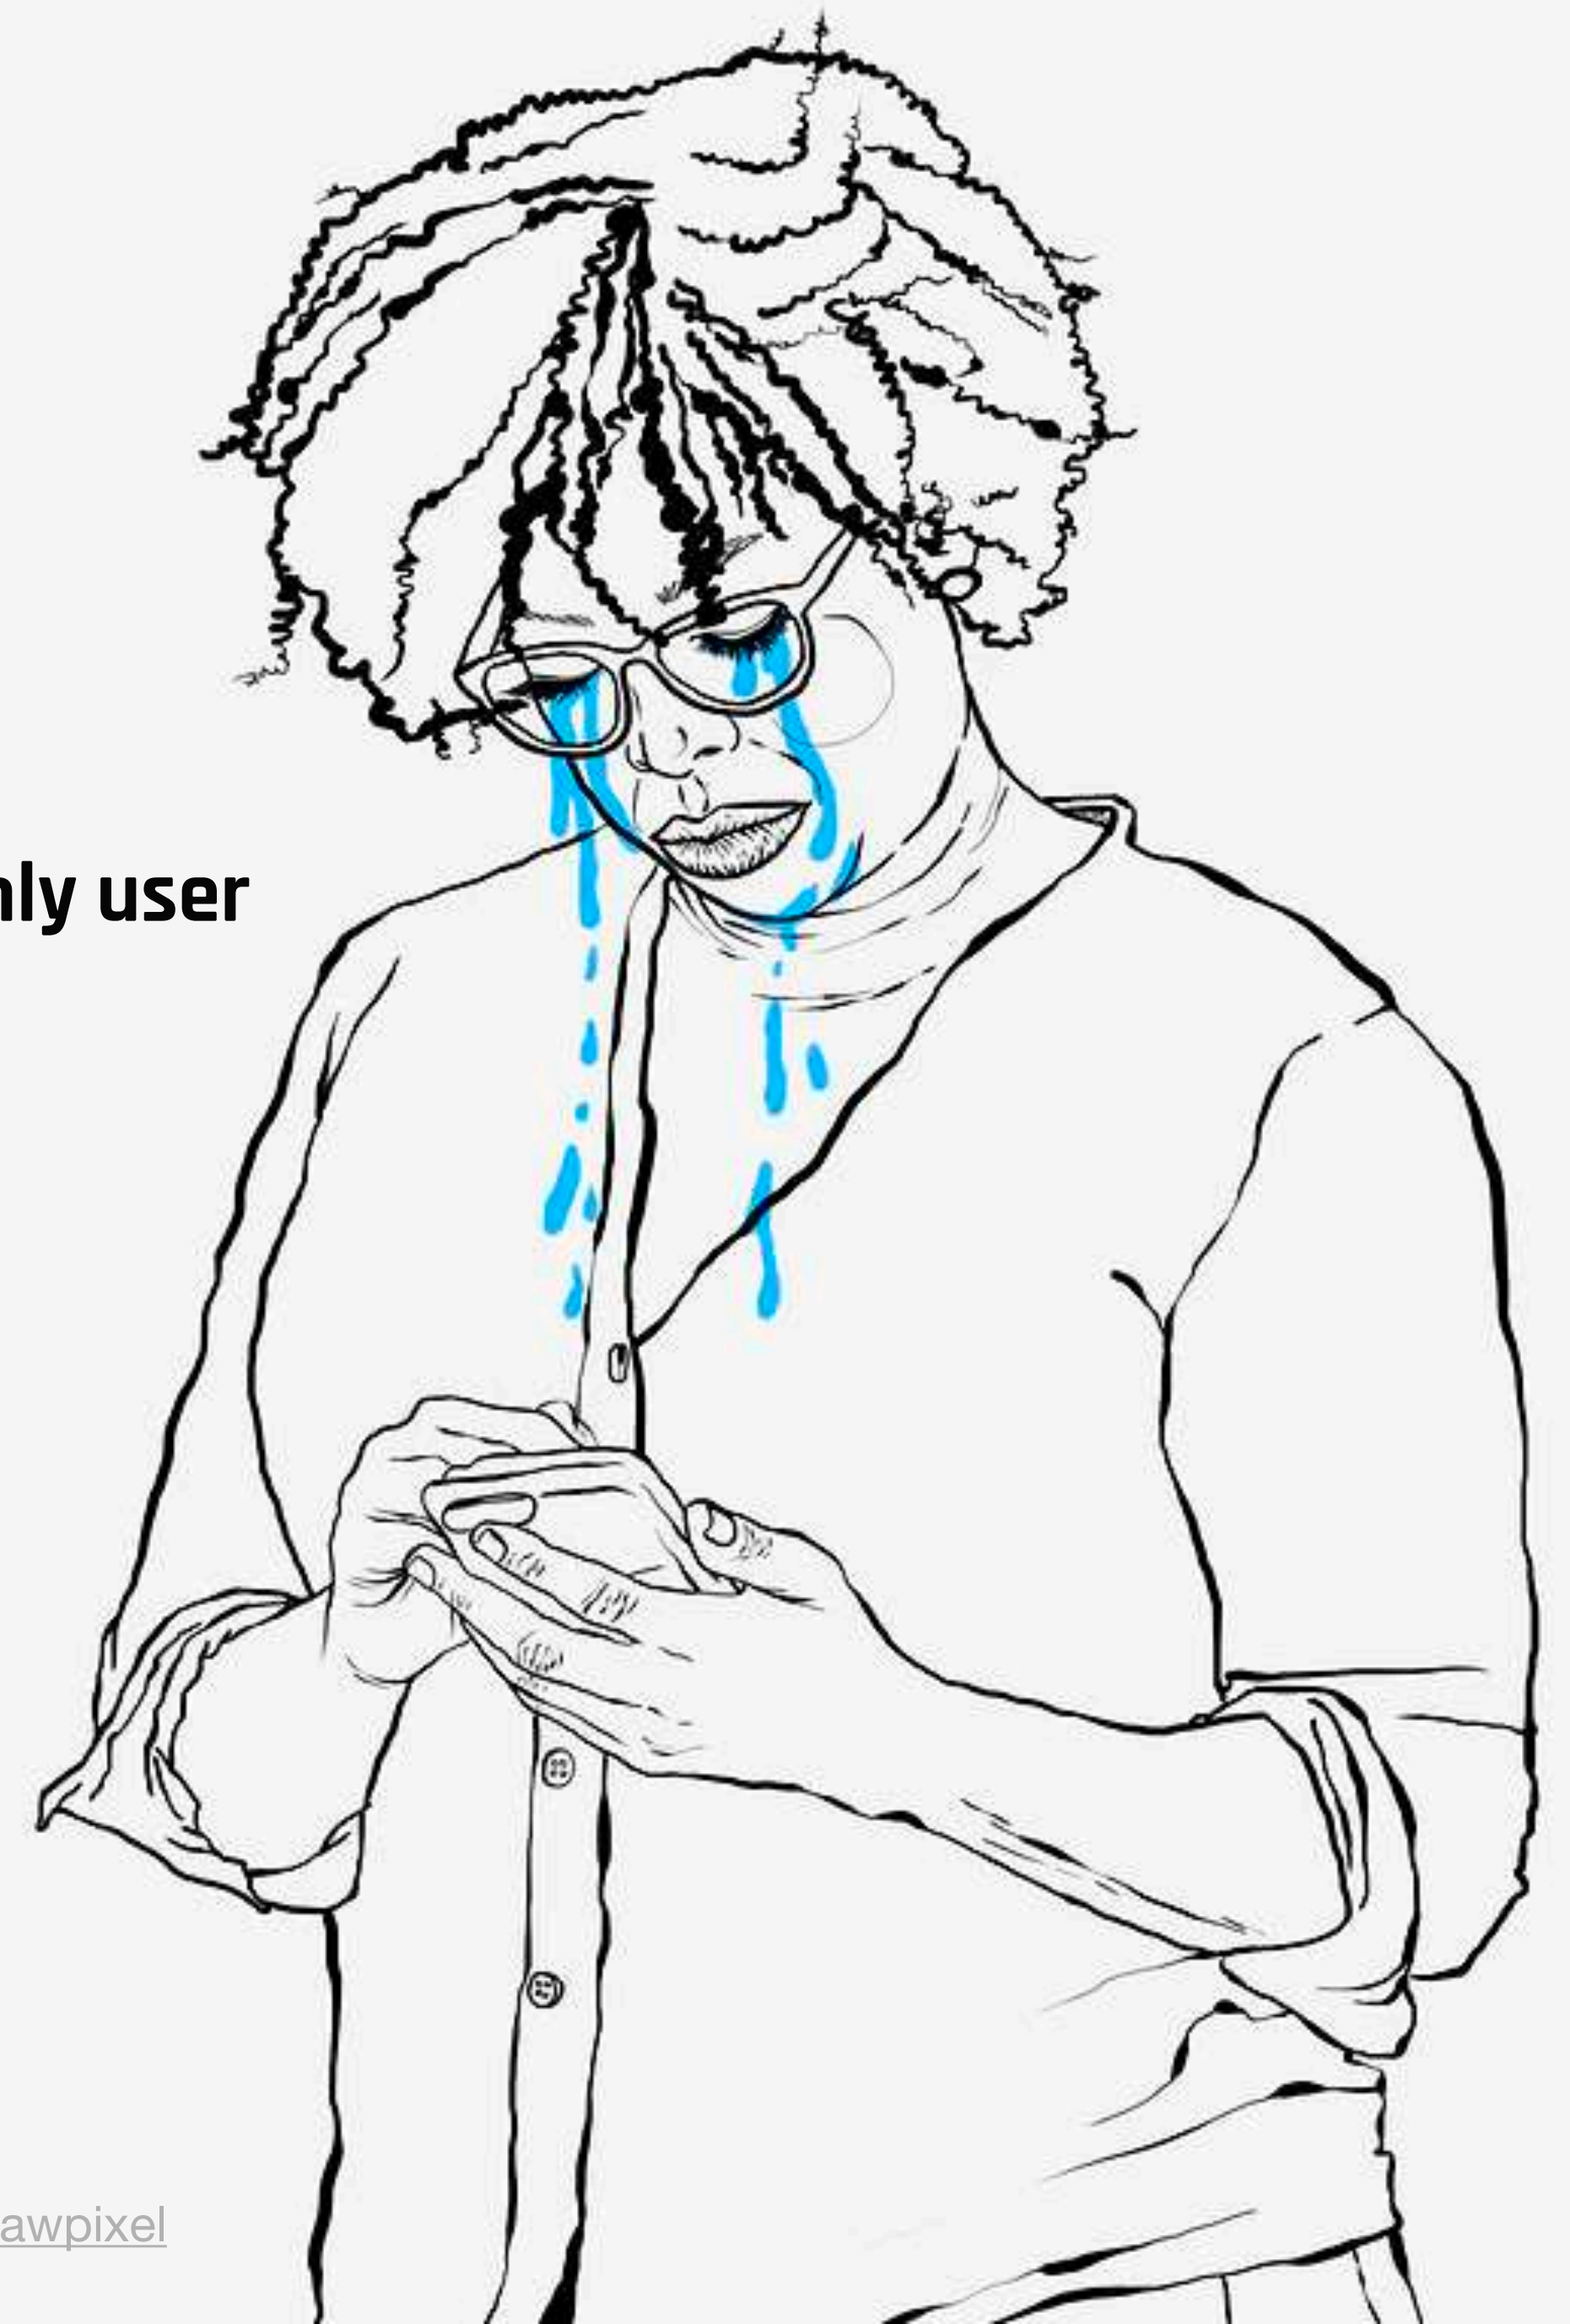

“Sir, we don’t have
any reviews, so
people hesitate to
use our product!”

“Sir, when people
search our service,
no content pops up
on Google/Youtube!”

You set

- ✓ a task mission that the workers (participant) should perform
- ✓ instruction (rules, requirements)
- ✓ Minimum task reward and total workers you want to invite

then, workers (users) will join your task.

**You will
approve 🧑
or reject 🙅
each submission**

**Then workers will
earn the task reward 💰**

You create task missions like these:
